

Nature Scavenger Hunt

Level 3

Find (but do not collect) the following items as you enjoy your walk today.

Have fun, Explorer!

A tree with very smooth bark	An animal with more than four legs	Five different shaped leaves
A producer (something in nature that can make its own food)	A seed that sticks to your clothing	Animal scat (poop!)
A seed that is blown by the wind	Something man-made	A consumer (something in nature that has to eat something else to survive)
Animal tracks (footprints in the dirt or mud)	A decomposer (something in nature that feeds off of dead plants or animals)	A tree with very rough bark
