Commissioner Retirement

The Bellbrook Sugarcreek Park District would like to thank Randy Tischer for his twenty-one-year tenure as a Park Board Commissioner! Randy's service to the parks began in 2003, but his roots within the community date back to the 1950's when his family purchased a local farm within the Township. Randy grew up here, earning the rank of Eagle Scout within Bellbrook Troop 3, graduating from Bellbrook High School and then choosing to continue his legacy in the community by growing his family and business here.

Randy has played an integral role in helping the Park District further its mission of protecting natural resources, preserving open space, and providing a variety of recreational opportunities for our community. His unique understanding of the local history has been invaluable and we are forever grateful for his volunteered time and commitment to the parks.

Improving Our Spaces

In late 2023, the park district applied for and was awarded a grant through the Greene County Council on Aging to improve our indoor programming space. With the funds awarded, a high-quality room divider was installed to allow us to best utilize the space for community and senior programs. The divider not only provides for easy program set up and transition, but also improves the sound quality throughout the room. Thank you to the Greene County Council on Aging for enhancing this space for years to come!

Creepy, Crawly Caterpillar Cutie

You may be surprised to learn that the caterpillar on the front cover is the larval stage of one of our most beloved insects: the Monarch Butterfly! This little guy is easily recognizable thanks to its distinctive black, white, and yellow stripes.

They have hearty appetites and can devour up to 200 times their body weight in milkweed leaves during their growth. This specialized diet provides them with the necessary toxic chemicals to defend against predators. Keep your eyes open to spot this cutie chomping away in the parks this spring!

Adult Trivia Night!

Thursday 5/2 6:30-8:00pm

Do you know as much as you think you do? Join us for trivia night to find out! Bring a few friends and try your hands at a variety of categories to see who comes out on top.
